

Dear Parents/Caregivers/Whanau

After nearly 15 years as Principal of St Johns Hill School I write my final fortnightly newsletter.

What an honour it has been to serve this great community. I reflect at this time on the awesome students, dedicated and professional staff, skilful BOT's, hardworking PTAs and very supportive school community.

I reflect on all the development and growth that has happened across all aspects of school life and what has always had the students at the centre.

Over this 15 year period, much emphasis has been pushed through the education priorities on reading, writing and maths. I am proud that, at our school, we have not lost sight of the child's holistic development. Not only learning but their physical, personal, social and emotional wellbeing. Developing their mindfulness, creativity, innovative, and collaborative skills, has been a focus.

A love for learning is also nurtured through providing a range of experiences and opportunities that are engaging and fun. We have had so many neat events and experiences that have created positive primary school memories for our tamariki to take with them.

Next year as my son Guy enters Year 6 at our school, I look forward to still being actively involved and wearing my parent hat. Between jobs I look forward to helping with end of term sausage sizzle, transporting groups wherever, attending school events and encouraging from the side line!!

A personal thank you to past and present stakeholders who have worked collaboratively with me, helped me, supported me, challenged me and nurtured me. I do feel very blessed.

Nga mihi **Michael Fitzgerald**

Welcome to School

A warm welcome to the following students who have recently joined out school family. Beau Ward, Taylor Redley and Frankie Bullock.

We wish you all the best for your learning at our school.

Pool Keys

Pool keys are available for hire from Monday 30th November at a cost of \$50. At the end of the swimming season keys must be returned. When you hire a key, you sign a contract for use of the pool. Please read carefully when making this commitment. We have had a number of keys not returned this year. These are security keys and very expensive to replace. Therefore if they are not returned we will need to ask you to pay for a replacement at a cost of \$30.00.

Foodbank Collection

Thank you very much for your support of Mufti/Wheels day last Friday.

We collected a large number of cans and non perishable food items that the City Mission were thrilled to collect.

Sport

Thank you to all the parents who put their hands up to help coach our sports teams this year. Your help and support has been much appreciated. If anyone still has any sports equipment could this please be returned to Mr Howells in Room 1.

Thank You!
